

Communication from Public

Name: Ellen Evans

Date Submitted: 05/04/2024 11:30 AM

Council File No: 24-0465

Comments for Public Posting: Noting that the Neighborhood Council members received no notification of this appointment and that Neighborhood Councils may not have a chance to agendaize this item and meet which would be required for filing a Community Impact Statement on this item. Also noting that this item was heard in Committee on the only day that public comment on the budget was taken. Having a presentation of new DONE GMs to NC members with an opportunity for a back and forth would be a fruitful addition to the DONE GM hiring process.
