**Comments for Public Posting:** Dear Honorable Councilmembers and Councilwomen. On Saturday, May 4, 2024, at the monthly Los Angeles Neighborhood Council Coalition meeting, representatives of the Neighborhood Councils voted to approve and request that in recognition of the rights granted to Neighborhood Councils under the City Charter, we urge the full City Council to defer the confirmation of Carmen Chang as the next DONE General Manager for up to a 45-day window provided for under Article V, Section 508 of the City Charter to act on appointments by the Mayor. The 45 days will allow Neighborhood Councils to weigh in on the matter and submit CISs on Council File 24-0465. Thank you for your consideration on this matter.
