**Comments for Public Posting:** Dear Councilmembers Yarofslavsky, While i remain a strong supporter of your work for our district and your willingness to stand up to do the right thing for our city even when it hasn't been popular, I must let you know i respectfully disagree with this motion. I strongly oppose your motion to re-impose Historic Preservation Overlay Zone (HPOZ) review to 100% affordable housing projects proposed under Mayor Bass's Executive Directive 1 (ED1). We have a housing crisis and i know you know that. We need all types of housing in ALL of our neighborhoods or we will never get out of this crisis. We have a chance to work toward building that housing stock with the ED 1---its a start. Please, from my heart, do the right thing, withdraw the motion and work to strengthen ED1, rather than undercutting it. Kindly Helen Eigenberg 611 Lillian Way LA 90004
