RE: OPPOSITION TO COUNCIL FILE 24-0491

To All Concerned Councilmembers:

I am writing to vehemently oppose the motion presented by Councilwoman Eunisses Hernandez which only purports to cover her unethical conduct and abuse of power. This motion was presented by Councilwoman Eunisses Hernandez out of a necessity to cover up her demonstrated resentment, malice, deceit and bad faith negotiations with the team behind The Guatemalan Square Project. I urge all council members to steer free from voting in favor of Council File 24-0491.

I do not take issue with Councilwoman Eunisses Hernandez contention that the reason why Council File 22-1094 failed was due to the fact that none of the applicants, myself included, "do not currently reside within the boundaries of the area being named." The issue I have with the motion presented by Councilwoman Eunisses Hernandez is the actions she took to get there which as will be discussed below are a grave departure from her oath to office.

Allow me to elaborate in summary:

- The application for the proposed The Guatemalan Square was received by the City Clerk's Office on 09/12/22
- The required meeting with the Westlake South Neighborhood Council was held on 02/27/23 and the entire board including Alexander Robinson, whose voice you hear on the leaked recording and who was president at the time, voted unanimously to support The Guatemalan Square Project
- Then on April 28, 2023, and after not hearing back from anyone we requested a meeting with Councilwoman Eunisses Hernandez.
- We were not seen until September 19, 2023. In attendance was Councilwoman Eunisses Hernandez, Chief of Staff Ivette Serna, and District Director Jose Rodriguez. At that meeting we were lied to and were told that 1) they did not have any records that a neighborhood council meeting had been held within 6 months of the application, and 2) that there were no records of a community impact report ever submitted to the City Clerk's Office. We were advised that they would investigate it.

- On October 31, 2023, Jose Rodriguez sent us an email (see below) advising us that the Department of Neighborhood Empowerment would be contacting us and the Westlake South Neighborhood Council to reschedule The Guatemalan Project “because the prior NC never submitted their CIS to the City Clerk.” Jose Rodriguez then moves on to say, “This will help keep this matter moving forward.” ↓ *this email was a complete lie because by this time Jose Rodriguez and Councilwoman Eunisses Hernandez had already directed Alexander Robison, president of the Westlake South Neighborhood Council not to submit the community impact report as heard on the leaked audio. We believe Councilwoman Eunisses Hernandez and Jose Rodriguez directed Alexander Robinson not to submit the report sometime after 02/27/23 which is when the Westlake South Neighborhood Council held the meeting to vote on The Guatemalan Square project.*

Hi

Its common practice for us to consult Clerk, DONE, and City Atty before item is schedule to get a status on the item.

DONE will be contacting Alejandro and the NC to schedule the item in November because the prior NC never submitted their CIS to the City Clerk. This will help keep this matter moving forward.

[Quoted text hidden]

- The City Clerk advised us of the residency requirement on April 1, 2024, almost 2 years after we initiated The Guatemalan Square project (Council Fle 22-1094) and after Councilwoman Eunisses Hernandez had already attempted to sabotage the project.

Councilwoman Eunisses Hernandez has no interest in serving the Guatemalan or the El Salvador community. Her intentional lack of investment in these two central American communities speak for themselves. Councilwoman Eunisses Hernandez has betrayed the trust of the people she was elected to serve. This motion she has presented is founded on a desperate attempt to cover up her misconduct. Conduct for which she will be held accountable for. But for now, all I can do is to **respectfully request that all members of the Los Angeles City Council VOTE NO on this motion taking into account the overwhelming amount of opposition it has received.** More importantly, I ask that the hard work of the team of people behind The Guatemalan Square Project be respected.

Respectfully submitted,

Communication from Public

RE: Petition Supporting Guatemala Landmark Naming Project - Council File #24-0491

On behalf of the undersigned, national-impacting nonprofit organizations and individuals from California that support immigrants' rights, economic development, health equity, and the sustainability of the environment and the economy, ***we endorse Councilwoman Hernandez's proposal to designate an area in honor of the Guatemalan Community for their vital contributions to the City of Los Angeles.***

This will help ensure that everyone works together to determine an area's name, select the boundaries of the project area, and other elements, while also allowing the city to invest in improving the community, businesses, and the lives of stakeholders in and around the designated area. ***We urge you to support this motion to recognize Guatemalans' invaluable contributions to the City of Los Angeles.***

Furthermore, we support this motion because of its commitment to inclusivity. It aims to bring all members of the Guatemalan Community to the forefront, fostering a collaborative environment for the Guatemala Community Landmark Naming Project. The involvement of various City of Los Angeles departments ensures that every voice is heard in the planning and execution of this significant project.

As previously mentioned, our support for this motion is rooted in the comprehensive approach it takes. Councilmember Hernandez's motion paves the way for the establishment of a working group comprising individuals, organizations, and businesses advocating for the Guatemalan Community, the Consul General of Guatemala, Council District 1, the Department of Cultural Affairs, the Economic and Workforce Development Department, and the Board of Public Works. This group will delineate culturally significant boundaries within the Westlake neighborhood, propose a name for the area, and develop initial plans for placing a cultural marker in the designated areas.

Respectfully, we urge you to support Councilwoman Hernandez's motion to name an area in honor of the Guatemalan Community. If you have any questions, please call (213) 446-6564.

Sincerely,

**Asunto: Apoyo a la Moción para Nombrar un Área en Honor a la Comunidad Guatemalteca
- Expediente del Consejo #24-0491**

En nombre de los firmantes a continuación, organizaciones sin fines de lucro de impacto nacional e individuos de California que apoyan los derechos de los inmigrantes, el desarrollo económico, la equidad en salud y la sostenibilidad del medio ambiente y la economía, respaldamos la propuesta de la concejal Hernández de designar un área en honor a la comunidad guatemalteca por sus contribuciones vitales a la ciudad de Los Ángeles.

Esto ayudará a garantizar que todos trabajen juntos para determinar el nombre de un área, seleccionar los límites del área del proyecto y otros elementos, al mismo tiempo que permitirá a la ciudad invertir en mejorar la comunidad, apoyar negocios pequeños y las vidas de las partes interesadas dentro y alrededor del área designada. Le instamos a que apoye esta moción para reconocer las invaluable contribuciones de los guatemaltecos a la ciudad de Los Ángeles.

Adicionalmente, apoyamos esta moción por su compromiso con la inclusión. Su objetivo es llevar a todos los miembros de la comunidad guatemalteca a la vanguardia, fomentando un ambiente de colaboración para el Proyecto de Nombramiento de un Lugar Histórico de la Comunidad Guatemalteca. La participación de varios departamentos de la ciudad de Los Ángeles garantiza que se escuchen todas las voces en la planificación y ejecución de este importante proyecto.

Como se mencionó anteriormente, nuestro apoyo a esta moción se basa en el enfoque integral que adopta. La moción de la concejal Hernández es el primer paso en el camino para el establecimiento de un grupo de trabajo compuesto por individuos, organizaciones y negocios pequeños que abogan y representan a la comunidad guatemalteca, el Cónsul General de Guatemala, el Distrito 1 del Concejo, el Departamento de Asuntos Culturales, el Departamento de Desarrollo Económico y Laboral y la Junta de Obras Públicas. Este grupo delinearé límites culturalmente significativos dentro del vecindario de Westlake, propondrá un nombre para el área y desarrollará planes iniciales para colocar un marcador cultural en las áreas designadas.

Respetuosamente, le pedimos que apoye la moción de la concejal Hernández de nombrar un área en honor a la comunidad guatemalteca. Si tiene alguna pregunta, llame al (213) 446-6564.
