Comments for Public Posting: This is regarding the \$13.15M in unspent federal pandemic relief funds. What the community needs is Long COVID support which is underfunded. The disabling outcome of COVID and the impact of Long COVID in the community is expected to cost the city \$12B (yes, Billions) in the next five years. We should be looking at funding to combat Long COVID, not misuse the funds for building upgrades and business programs to line the pockets of the already rich.
