Comments for Public Posting: We are wondering if our Senior Meal program has extended and approved as Seniors. We have worked our entire life and this is a very great benefit for 6000 of us and we deserve to have this given to us for as hard as we have worked in the communities and our jobs and our unable to get out to have nutritious meals. EveryTable has been a blessing. I have been in the program from the beginning and it is definitely needed. I am health challenge and I do not get out so this is something that is desperately needed
