Comments for Public Posting: Dear Council Members, My name is Peter Abdelmalak, Founder of Love and Light 888 Inc. I am writing to you today to raise the conversation. I have been serving on the front lines of South LA since 2020. Having served the community through WLCAC and HOPICS, I have personally seen the miracles that happen when families and individuals have a safe place to park and a hand to hold. These programs, Safe Parking and Access Centers are the lifeblood of our streets. They are the bridges to the homes we have worked so hard to provide. I want to thank you in advance for your leadership. I am choosing to believe this Council will stand in the light and protect these essential services. We are moving forward, and we are not leaving anyone behind. I look forward to our continued work together to empower and uplift SPA 6. Thank you for choosing hope and for keeping the doors open. Sending High Vibes, Pure Love and Light
