Comments for Public Posting: I love Los Angeles. It has been my home my entire life. (Over 50+ years) I know that our city has many challenges. And I appreciate all of the hard work that Mayor Karen and her team are doing. We, the citizens of L.A., need to support our Mayor and our beloved city, in any positive way that we can. Let's help to continue to make L.A. the beautiful, exceptional place that we can say we are proud to live in! One of the top cities in the nation. We can do it if everyone does their part; supporting the Mayor and her vision. Let's keep our wonderful Mayor and her team in prayer. It is my pleasure to sign up and agree with the Mayor on getting as much financial assistance for our city as we can. We need many things done for L.A. and that requires a great deal of financial assistance. We need wise, trustworthy, and financially savvy people in our City leadership and I have no doubt we have that in our Mayor. Things aren't easy and the fixes won't come as quickly as we probably would like, but if we all stick together we can slowly but surely see the positive changes.

I urge the council to pass the mayors budget especially in regards to the homeless crisis work that she is currently pursuing. We want to seek more people housed through the Inside Safe Operating Program.

Comments for Public Posting: The City of Los Angeles Northeast Community Police Advisory Board (C-PAB) supports the FY 2024-2025 Budget for the City of Los Angeles. C-PAB supports any/all efforts to retain the cities workforce and improved wages for the dedicated city employees who continuously maintain public access infrastructure and improvements, provide citywide funding + support for housing, health and mental services, provide education and family assistance services, and maintain public safety and security from the Los Angeles Police Department Officers, LA Sanitation Officers, Recreation and Parks Rangers, LADOT Traffic Safety Officers and Gang Prevention/Intervention GRYD Programming. We urge the 15 City Council Members to consider adopting Council File No. 24-0600 and approving the City of Los Angeles Budget FY 2024-2025. Thank-you for considering our request. Respectfully, Bradley, Co-Chair Northeast LAPD Community Police Advisory Board

Comments for Public Posting: I wholeheartedly endorse the 2024 budget for its focus on fostering a greener and more sustainable future for the LA community. As a college student, I am aware of the waste generated within my school. I like how the budget has made efforts to promote electric vehicle infrastructure and enhance the climate response force, initiatives that will undoubtedly benefit not only myself but also fellow students and LA residents alike.
