Comments for Public Posting: Good day. This is Corie Holland. I am on the Mac Arthur Park Neighborhood Council Committee. I am writing to voice my concerns in the community. The neighborhood needs additional funding to handle the homelessness crisis, safety, housing, and drug abuse. These are all worthy issues of attention. Additional funding is needed to create thousands of beds for people sleeping on the street. In addition, mental and drug facilities need to become more available and accessible. Thank you for your time.

Comments for Public Posting: I have lived in Northridge for my whole life and that's a lot of years. I wish we got more attention over here. More police and less transients. The Mayors budget is looking to help that. I support it.
