Comments for Public Posting: I demand that the LA City Council call for an immediate permanent ceasefire, to allow aid and resources into Gaza, and to end US arms shipments to Israel. Israel is committing genocide and it is unconscionable that such a large and powerful city has stayed silent. Shame on you all, Mayor Bass and everyone else who has remained silent. Choose humanity. Signed, a city employee and former constituent that was impacted by gentrification on your watch.

Comments for Public Posting: I am writing to submit my public comment in strong support of the resolution introduced by Councilmembers Raman, Hernandez, and Soto-Martinez calling for a ceasefire. Since October, over 40,000 Palestinians have been killed in Gaza, including tens of thousands of civilians. Thousands of children have been orphaned, and thousands more have been left gravely injured. There is no justification for this genocide. As an Angeleno, I do not want my tax dollars going to fund this killing. It is important that the City of Los Angeles stand for peace.
