**Comments for Public Posting:** A headline today read “‘Immense’ scale of Gaza killings amounts to crime against humanity, U.N. inquiry says.” How can one read that and not want to take action to do everything in their power to stop this violence? Choose compassion for all living beings of Palestine and support a permanent ceasefire now!

**Comments for Public Posting:** I'm a 19 year resident of Los Angeles, and I support a ceasefire in the war on Gaza. 2 million people have been starved for 8 months, and 45,000 known civilians, including women, pregnant women, elderly, children and men have all been brutally murdered, beheaded, blown to smithereens and burned alive in this aggression. Israel has killed Palestinians, separated them from their families, and destroyed their infrastructure, their emotional and mental sense of safety, and worst of all: their hope. This latest assault follows 75 years of unjust, unlawful occupation and the establishment of a settler colonial, apartheid state whose governing principle is extremist Zionism. This ongoing genocide in Gaza is the culmination of a decades long tyrannical project that does NOT represent me or your constituents living in Los Angeles. This has wrecked my safety in Los Angeles and as a citizen of the U.S. The racist, Islamophobic and violent rhetoric that is now being permitted, along with hate crimes against Muslims, makes me feel incredibly unsafe and unequal in my own home. It also does not represent my Jewish friends, neighbors and colleagues who do not believe in such violent extremism. The result of Israel's genocide isn't just the barbaric killing of Palestinians. It is also the rise in Islamophobia and Anti-Semitism. I refuse to let my tax dollars fund such heinous war crimes and wholeheartedly oppose this so-called "war." Ceasefire NOW. Bring home all of the hostages, including the thousands of unjustly held Palestinian hostages. Free Palestine!

**Comments for Public Posting:** As a resident of CD1 I commend my councilmember, Eunisses Hernandez, for introducing this ceasefire resolution. It is time for Los Angeles to join cities across the United States in calling for an end to Israel's genocide against the people of Gaza.
