Comments for Public Posting: I feel that the proposed resolution is should be voted down for several simple and clear reasons. 1 - City Council has no authority regarding foreign policy. 2 - there has been a long chain of ceasefires, which were hailed by Hamas as victories, having breached the previous ceasefire. 3 - there is no rational way to explain how the problem can be solved by another ceasefire, when every previous ceasefire failed due to Hamas violations. 4 - the attackers predicate their arguments on the idea that Israel is illegimate - but the October 7 attacks took place within the boundaries of the partition defined in the original UN partition plan - UN Resolution 181 in 1947.
