**Comments for Public Posting:** OPPOSITION TO CF 24-0656. VOTE NO..... As we saw today in Washington DC when protestors became violent, started fires, and vandalized public facilities with phrases like " Hamas is coming" and "All Zionists are Bastards", this is at its heart is antisemitic movement. Zionism is simply the belief in the right of Jewish people to have self-determination and a state in their ancestral homeland. That's it. It's not about colonization or apartheid or anything else the ignorant protestors are saying. So saying "All Zionists are Bastards" is akin to saying Jewish people do not have the right to self-determination, like Muslims or Christians do. It's ridiculous for this council to even consider this motion. Shame on Hernandez and Raman for moving this. Terrible judgment on both of their behalfs. Vote no.
