Comments for Public Posting: This is a correction from the West Hills Neighborhood Council to a previously filed CIS on Council File 24-0867. We inadvertently filed the CIS as a yes/support when the CIS was in opposition/against the Council File. Please make the correction and thank you for your help, much appreciated. Best regards,
Charlene Rothstein West Hills Neighborhood Council President

Council File No: 24-0867

Comments for Public Posting: The motion as amended removes mention of term limits for Neighborhood Council members. The APLCE Committee recognized that having mandatory term limits would weaken the NC system. Thirty-One NCs submitted CISs regarding CF 24-0867; One (1) CIS was "For"; Two (2) were "For If Amended"; Two (2) were "Against Unless Amended"; and Twenty-Six (26) were "Against". Not approving this motion would prevent the expenditure of time and resources on a fool's errand. It would be refreshing if the City Council acknowledged and followed the guidance provided by the NCs.
