Summary:

On August 7, 2024, the Transportation Committee considered a July 31, 2024 CAO report to authorize the LADOT to apply for the SS4A FY 2024 Grant program, overseen by the United States Department of Transportation. According to the CAO, the SS4A Grant program is a competitive initiative designed to allocate funds to support planning, infrastructure, behavioral, and operational initiatives to prevent death and serious injury on roads and streets involving all roadway users, including pedestrians, bicyclists, public transportation, personal conveyance, and micromobility users, motorists, and commercial vehicle operators. It is proposed that the LADOT be authorized to partner with the SCAG to prepare and submit grant applications for the proposals outlined in Attachment 1 of the CAO report. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the CAO report. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
