Comments for Public Posting: Criminalizing protest is unconstitutional. Simple, don't do it!

Comments for Public Posting: I oppose the motion to instate bubble zones around sensitive sites because of concern over criminalizing protest. The First amendment right to free speech is protected behavior practiced by union workers and members of the public. Criminalizing this behavior necessarily puts community members in harms way and presents new opportunities to have run-ins with the police. Please instead consider a process involving community stakeholders that seeks to address the inaction of LAPD in instances where protesters have been harmed while engaging in protest and civil disobedience. Thank you

Comments for Public Posting: Criminalizing protests seems like the exact opposite of the whole freedom of speech thing? You should be ashamed of yourselves.
