**Comments for Public Posting:** Re: Support of Councilwoman Yaroslavsky's motion to guarantee unfettered public access to institutions Dear Sirs and Madams. It has come to my attention that Councilwoman, Katy Yaroslavsky, has submitted a motion to protect the rights of people to freely enter and leave institutions of religious, health service-providing, community-aiding and other types free from interference from demonstrators or protestors who impede, block or otherwise interfere with their motion. It allows free speech rights of protestors who act in a civil and legal manner. Having experienced this type of unlawful interference firsthand, I heartily endorse and support this well-written motion and urge you to do the same. I look forward seeing this become an enforceable statute. Sincerely, Eric Krackow North Hollywood 91606
