**Comments for Public Posting:** I am a Jew. I am also a Scientologist. And I have experienced firsthand, the harassment that comes with being a member of both religions. I have been shouted at and threatened trying to walk into either place of worship. Anti-Semitism and anti-Scientology, actually anti-religion is rampant and has been allowed to continue in this city. Anything that can be done to make it safer to worship and receive spiritual enhancement is not only urgently necessary, but is a God-given right!

## Communication from Public

**Comments for Public Posting:** I strongly agree with this proposal to keep protesters 100 feet from the entrances of hospitals, churches and schools to keep everyone safer. There's been too much hate in the current society and it can lead to unnecessary violence. This proposal will help prevent this from happening.
