Comments for Public Posting: Dear City Council, I strongly support CF-24-0910, the motion to restrict the proximity of potential protesters near religious institutions, hospitals, and educational facilities, particularly to safeguard against anti-Semitic behavior that endangers our Jewish community members. It is critical that we take a firm stance against any displays of hate or intolerance. Los Feliz, the greater Los Angeles, should be a place of inclusivity, safety, and respect for all residents. We cannot allow these harmful acts, which have been occurring in Los Angeles -- especially since October 7--to continue. Thank you for your attention to this matter. I look forward to seeing positive change in our community and an end to anti-Semitic behavior within Los Angeles. Thank you.
