

Communication from Public

Name: Revd Angela K

Date Submitted: 11/09/2024 11:10 PM

Council File No: 24-0910

Comments for Public Posting: I am an ordained minister and resident of Los Angeles. I very much support the proposal to create 100 foot buffer zones around the doors of service institutions like places of worship, schools and hospitals, etc. People entering and exiting these organizations in search of their service would be free from harassment or any concern for their safety. I am counting the support of City Council Members, and particularly the ones involved in the Public Safety Committee. Revd Angela K
