Comments for Public Posting: Dear Councilmembers, I write in SUPPORT of the Ratepayer Advocate. I believe that the Office of Public Accountability (OPA) and Ratepayer Advocate should be consulted beforehand. The Ratepayer Advocate should be involved in the process, and I believe that any proposed taxes and utility rate increase should be transparent. There should be sufficient public input into the process. Therefore, I support a RATEPAYER ADVOCATE representing ratepayers and to advocate our rights'. Thank you.
