

MOTION

The Housing Department's General Funds Homeless Shelter Services Agreement with the Los Angeles Homeless Services Authority (LAHSA) for Fiscal Year 2025-26 includes \$200,000 for Council District 3's Contingency Management Pilot Program (Pilot Program), operated by Hope of the Mission (C.F. 24-1268-S1). Additional resources were provided to support the pilot program and \$186,134 is available for reallocation.

The Self Help and Recovery Exchange (SHARE!) is a non-profit that matches people experiencing homelessness (PEH) with others who have similar lived experience into shared housing arrangements. Participants share space in single residences and are offered a range of services. SHARE! assist participants as they transition to permanent housing while connecting them to a network of peer support. SHARE! peer support specialists practice behavioral health principles to guide participants toward self sufficiency. As such, SHARE! Offers a program designed for self resolution of homelessness, which is a unique service type in the homeless response system.

SHARE! is able to rapidly move PEH into a more stable housing situation. Unspent funds from the Pilot Program should therefore be recaptured and added to the Housing Department's forthcoming Fiscal Year 2026-27 General Funds Homeless Shelter Services Agreement with LAHSA for shared housing and client support services to be provided by SHARE!

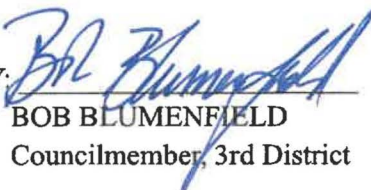

I THEREFORE MOVE that \$186,134 from the Housing Department Fund No. 10A/43, Account No. 43CC13 (FY 2025-26 Street Strategies) be transferred / appropriated to a new Account in the Housing Department Fund No. 10A/43, Account No. TBD (FY 2026-27 Street Strategies) for shared housing and client support services.

I FURTHER MOVE that the Council instruct and authorize the General Manager of the Los Angeles Housing Department, or designee, to execute or amend the City's Fiscal Year 2026-27 General Funds Homeless Shelter Services Agreement with the Los Angeles Homeless Services Authority to add up to \$186,134 for shared housing, client support services, and outreach to be provided by The Self-Help and Recovery Exchange.

I FURTHER MOVE that the Los Angeles Housing Department to be authorized to make any corrections, clarifications, or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections / clarifications / changes may be made orally, electronically or by any other means.

I FURTHER MOVE that the Los Angeles Homeless Services Authority be requested and authorized to prepare, process and execute the necessary documents with and / or payments to The Self-Help and Recovery Exchange, or any other agency or organization, as appropriate, utilizing the above amount, for the above purpose, subject to the approval of the City Attorney as to form.
