**Comments for Public Posting:** The city council are sick twisted individuals. There are no trans children. Only pervert adults who are demented enough to allow and encourage the mutilation of children. There are so many aspects of life that are forbidden (for good reason) until the age of majority, yet you want to give this quackery a special pass. More and more Detransitioners are coming forward with horror stories about how their young lives have been destroyed. The jury verdicts are just starting to come in. You people are despicable.
