A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at [empowerla@lacity.org](mailto:empowerla@lacity.org).

Community Impact Statement opposing CF 25-0002-S100: Secretary Robert F Kennedy, Jr / Gender-Affirming Healthcare Services / Healthcare for Minors / 2025-2026 Legislative Program.

The Echo Park Neighborhood Council supports the resolution Moved by Ysabel Jurado and Seconded by Hugo Soto-Martinez, opposing CF 25-0002-S100.

The Echo Park Neighborhood Council passed and approved on March 25, 2025 a resolution declaring Echo Park a safe haven for all LGBTQ+ individuals, especially transgender individuals and requested the LA City Council to take action to protect all LGBTQ+ individuals, but especially transgender individuals seeking gender affirming healthcare in Los Angeles. We stand by everything written in our letter, as well as the resolution by Jurado and Soto-Martinez.. We agree that the City of Los Angeles has a longstanding commitment to protecting LGBTQIA+ residents and visitors through policies, programs, and City-sponsored initiatives that affirm dignity, safety, and access to essential services and that the City has an obligation to use all lawful means available to protect public health, prevent discrimination, and ensure that residents are not denied medical care due to ideological or politically motivated federal actions.
