**Comments for Public Posting:** Honorable Members of the City Council: I oppose SB79 in its entirety and until amended to exclude single-family neighborhoods, affordable multi-family areas, historic districts and light industrial zones. I request that the Council unanimously approve the Resolution to Oppose SB79 (Council File 25-0002-S19). The State of CA must not be allowed to undo the efforts that resulted in the passing of the Housing Element. The State must not be allowed to exclude communities from working through their various Community Plans to further refine local planning decisions.
