**Comments for Public Posting:** Dear Councilmember Rodriguez, I support Council File 25-0002-S19 that opposes SB79. Density belongs on the transit corridors as identified in our Housing Element, not a half mile radius from these stops and into single family, affordable, multi-family, vulnerable historic districts or light industrial zones. This bill mandates no affordable units and makes housing on the corridor more expensive and making it less affordable for people that need to live near transit. This clearly undermines the city's affordable housing incentives as identified in the Housing Element.
