Summary:

On August 8, 2025, your Rules, Elections and Intergovernmental Relations Committee considered a July 1, 2025 Resolution (Hernandez – Soto-Martinez) and CLA communication dated August 7, 2025, relative to establishing the City’s position on SB 48 (Gonzalez), which would amend the Education Code to disallow access to nonpublic areas of a school site to federal immigration enforcement agents and protect student data. According to the Resolution, in January 2025, the Trump administration rescinded a policy established by the Biden administration that protected “sensitive locations,” which are primarily hospitals, places of worship, courthouses, and schools, from immigration enforcement. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Resolution. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Rules, Elections, and Intergovernmental Relations Committee
