Summary:

On August 8, 2025, your Rules, Elections and Intergovernmental Relations Committee considered a July 1, 2025 Resolution (Hernandez – Rodriguez – Padilla, et al.) relative to establishing the City's position on legislation that would advance comprehensive immigration reform in the United States. According to the Resolution, since 1986, Congress has failed to pass legislation to provide pathways to legal status and citizenship for undocumented individuals residing in the U.S., facilitate the legal employment of migrant workers, and fund the Department of Homeland Security to timely process migrant arrivals at U.S. borders. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Resolution. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Rules, Elections, and Intergovernmental Relations Committee
