Summary:

On August 8, 2025, your Rules, Elections and Intergovernmental Relations Committee considered a July 1, 2025 Resolution (Park – Blumenfield) and CLA communication dated August 5, 2025, relative to establishing the City’s position on AB 366 (Petrie-Norris and Ransom), which would remove court discretion in determining whether a first-time DUI offender must install an IID on every vehicle they operate. According to the Resolution, a 2024 analysis has found that eight of the 10 cities with the worst DUI rates in the country are in California, with the City of Los Angeles ranked 3rd in DUIs per 100,000 drivers. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Resolution. This matter is now submitted to Council for its consideration.

Respectfully Submitted,
