Comments for Public Posting: Good Morning, Chair and Members of the Committee... The L.A. Area Chamber strongly supports SB 84 — a commonsense, balanced measure that protects small businesses with 50 or fewer employees from aggressive lawyers seeking statutory damages under accessibility laws. This bill, which the State Legislature can take up again in January, gives small businesses a fair chance to address alleged accessibility violations before facing costly lawsuits by allowing 120 days to correct issues after receiving a violation notice. SB 84 strengthens accessibility compliance while reducing financial strain on the small employers who power our neighborhoods by ensuring resources go toward real accessibility improvements and not legal fees. The Chamber urges the Rules Committee to take a support position. Thank you.
