Re: SB 34 (Richardson) – Adoption of Support from the City of Los Angeles

Dear Governor Newsom,

I urge your signature on Senate Bill 34 (Richardson), which has now passed both houses of the State Legislature and has a resolution of support approved by the full Los Angeles City Council.

This bill provides needed certainty for the Ports of Los Angeles and Long Beach, protects middle-class union jobs, and ensures continued environmental progress without jeopardizing economic competitiveness or local governance. Signing SB 34 will reaffirm California's commitment to both environmental leadership and economic opportunity.

Thank you for your continued leadership and your consideration of this important bill.

Sincerely,

TIM McOSKER
