A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at [empowerla@lacity.org](mailto:empowerla@lacity.org).

## **CIS Council File 25-0002-S86, S.2468 (Padilla) / Renewing Immigration Provisions of the Immigration Act of 1929 / Registry Eligibility Cutoff Date Removal / Amendment (Rodriguez - Hernandez) IN SUPPORT OF**

Date Oct 7, 2025

Los Angeles City Council  
200 N. Spring Street  
Los Angeles, CA 90012

We declare that on date, a Brown Act noticed public meeting was held by the Eagle Rock Neighborhood Council (ERNC) at which a quorum was present. By a vote of 13 Ayes/0 Nos insert vote count, the ERNC adopted the following Community Impact Statement concerning Council File #**25-0002-S86: S.246** hyperlinked to CF:

<https://cityclerk.lacity.org/lacityclerkconnect/index.cfm?fa=ccfi.viewrecord&cfnumber=25-0002-S86>

Los Angeles is home to one of the largest immigrant populations in the country. Many long-term residents (some living here for decades) remain undocumented due to outdated federal laws. Without a path to legal status, these Angelenos face daily risks of detention, deportation, and family separation, despite being integral members of our communities and economy as abused by ICE.

The Eagle Rock Neighborhood Council Housing and Homelessness Committee supports Council File 25-0002-S86: S.2468 (Padilla) / Renewing Immigration Provisions of the Immigration Act of 1929, which urges the City of Los Angeles to include support for this federal legislation in its 2025–2026 Legislative Program. After 7 years of continuous residency with no criminal record, residents are able to apply for permanent residency. There is precedent for this action: similar legalization measures were enacted in **1940**, **1958**, and **1986**, providing lawful permanent resident status to long-term residents who met comparable eligibility criteria. Removing the registry cutoff date would help thousands of Los Angeles residents finally access permanent residency and the stability they deserve.

Please place this letter in the case file, and acknowledge its receipt via email to: [executive@ernc.la](mailto:executive@ernc.la). Thank you.

Respectfully,  
Flor Chaidez  
President  
Eagle Rock Neighborhood Council
