Summary:

On October 21, 2025, your Rules, Elections and Intergovernmental Relations Committee considered an September 5, 2025 Resolution (Rodriguez – Hernandez) and CLA report dated October 20, 2025, relative to establishing the City's position on S.2468 (Padilla), the Renewing Immigration Provisions of the Immigration Act of 1929, which would update the U.S.'s outdated immigration system and provide millions of long-term U.S. residents a pathway to permanent residency in the U.S. According to the Resolution, Section 249 of the Immigration and Nationality Act, also known as the Registry statute, provides the Secretary of Homeland Security the discretion to register certain individuals who have been present in the U.S. as eligible to apply for permanent residency status. S.2468 would expand eligibility to immigrants who do not have criminal records and have lived continuously in the U.S. for at least seven years, to file petitions for permanent residency status. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Resolution. This matter is now submitted to Council for its consideration.
