**Comments for Public Posting:** The Los Angeles Neighborhood Council Sustainability Alliance is in support of the Rim of the Valley resolution (CF-0002-S90) in support of the Rim of the Valley Corridor Preservation Act, which would adjust the boundary of the Santa Monica Mountains National Recreation Area to include the Rim of the Valley Corridor. While this has already passed City Council, we want to be on record in support, in part because it is aligned with the vision behind the wildlife ordinance (CF 14-0518), which appears to have stalled even though City Council had had already voted to support an ordinance and one had been drafted when Councilmember Yaroslavsky encountered some opposition, after a decade of work under then Councilmember Paul Koretz.
