A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at [empowerla@lacity.org](mailto:empowerla@lacity.org).

Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 25-0002-S90

City Planning Number:

Agenda Date:

Item Number:

Summary: At the Foothill Trails District Neighborhood Council (FTDNC) Equestrian Committee meeting held on February 12, 2026, the Board voted 12-0 to provide a letter in support of Council District 4's Resolution (dated Nov. 5, 2025) to add 118,000 acres and National Park Service authority by adopting the Rim of the Valley Corridor Preservation Act (House of Representatives Bill 3874). Council File #25-0002-S90. On behalf of the Foothill Trails District Neighborhood Council, we express our strong support for the Resolution presented by Councilperson Nithya Raman (CD 4) and seconded by Councilperson Monica Rodriguez (CD 7). Council District 7 is proud to be home to the City of Los Angeles's largest and

most historically significant equestrian community. The Rim of the Valley Corridor expansion is vital to protecting the unique intersection of equestrian culture, outdoor recreation, and regional biodiversity that defines our community. This expansion overlaps with our CD 7 communities of Northeast San Fernando Valley (Sylmar, Mission Hills, Pacoima, Lake View Terrace, Sunland- Tujunga, North Hills, Shadow Hills/Stonehurst, and La Tuna Canyon). The expansion is critical for the long-term survival of our Foothill equestrian heritage by:

- Supporting connectivity of horseback-riding recreational trails.
- Involving the National Park Service to implement higher standards of trail maintenance, signage, and safety for riders, horses, and hikers.
- Providing oversight of unchecked development and obstructed trail connectivity negatively affecting horse trail access.
- Providing health benefits and enjoyment to all community members and visitors.
