Comments for Public Posting: Hi All, Dan Howard here, a small mom-and-pop landlord, who has a tenant who is NOT paying and is unrelated to the fires in Jan, asking the city to again vote for what is right for ALL, not just for tenants --especially those who are unimpacted by these first. Mom and Pop landlords are generally the most reasonable when it comes to making arrangements for tenants who share their hardships with us. Based on the data provided by our housing department, we do not need a city-wide eviction moratorium as we have several aides in place for those who are affected. It disappoints me that some of our city leaders continue to push their own personal agendas with little regard to the hard working landlords out there, who have enough against them as it is. I appreciate our President & Council District Rep, M. Dawson, Ms. Park, and several others who understand how unfair this proposal is and am hoping you will continue to vote NO on this motion as it the long term affects are much greater than a temporary fix. Thank you again, Dan Howard District 8 Constituent
