**Comments for Public Posting:** Please consider waiving rebuilding fees for Palisadians who lost their homes to no fault of their own. THE permit fees are a STAGGERING AMOUNT OF MONEY for many Palisadians, and for some, a "Make or Break" if they can afford to rebuild and return home. Thank you, Kimberly McMahan

**Comments for Public Posting:** NO PERMIT FEES ON FIRE REBUILDS! We are trying to rebuild on our beloved property site using our insurance funds, which are barely enough. We are building a PreFab home in order to keep the costs down and within our budget. We need all the help we can get. We have only our insurance money to work with and it is an ongoing process to obtain the funds that we are entitled to. We lost EVERYTHING! We believed our beautiful Spanish 100 year old cottage would be our forever home. Instead, my husband and I, 88 and 68 years old respectively, have to start over at our age. Please do the right thing and help us out. Thank you for listening, --Denise and Ken Sylk
