Comments for Public Posting: Dear Budget and Finance Committee, I'm writing to encourage you to waive permit fees to rebuild fire-destroyed homes in Pacific Palisades. My home was destroyed and the cost to rebuild is increasing by the day. Between the insurance gap, cost of materials and labor, we will be lucky to be able to build back. Any reprieve we are able to get to get us back home would be much appreciated and honestly necessary for so many of us. Thank you,
Laura Gowing

Comments for Public Posting: Dear Budget and Finance Committee, I'm writing to implore you to waive permit fees to rebuild fire-destroyed homes in Pacific Palisades. My home was destroyed and the cost to rebuild is immense and getting larger each day I'm not back in a home we own. Between the insurance gap, cost of materials and labor, tariffs, skyrocketing rents and delays with permits, we will be lucky to be able to finish our home at all. We beg you to at least waive rebuilding fees and allow us to put that money towards other necessary expenses for our families.
