Comments for Public Posting: My family are longtime residents of the Pacific Palisades and lost our home in the fire. We are waiting on our permit now and rebuilding because we love the Palisades and miss our community so much. It has been such a traumatizing time for our entire family losing a lifetime of memories and trying to financially move forward with the new house. Please waive all building and permit fees for us and all the victims of the Palisades. More building will result in more property i. Tax revenue and LA businesses. A win-win for all of us who have been displaced from our homes. Thank you!

Comments for Public Posting: We are a resident of Pacific Palisades and we lost everything in the fire. We are going to rebuild because we love our town and community. We are seeking your support in waiving all permitting fees. Like so many, we are grossly underinsured (we had the CA Fair Plan) and every dollar counts. Thank you for your support and consideration.
