Summary:

On April 23, 2025, your Transportation Committee considered an April 9, 2025 Motion (Park – Hutt) relative to reassigning the same two crossing guards previously assigned to Marquez Charter School and Corpus Christi School to Nora Sterry Elementary School and Brentwood Elementary Science Magnet. According to the Motion, since the Palisades Fire, these schools have been relocated, effectively doubling the student body population of the receiving schools, which are experiencing commensurate traffic impacts. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Motion recommendation. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
