Comments for Public Posting: My name is Simone, and I'm here today as a community member. I want to thank Councilmember Soto-Martinez for taking action to introduce this motion, and I want to strongly urge all members of LA City Council to join him in voting YES on this important motion when it's up for a full council vote. I support this motion because the lack of transparency around price-gouging harms the most vulnerable members of our community - especially those who have been impacted by the LA wildfires. We need transparency and accountability NOW. I strongly support this common-sense motion to protect renters and ensure that the City Attorney is actually fulfilling her obligation to Angelenos. Thank you.
