Comments for Public Posting: My name is Sara, and I'm here today as a concerned individual who cares about the citizens of LA. I want to thank Councilmember Soto-Martinez for taking action to introduce this motion, and I want to strongly urge all members of LA City Council to join him in voting YES on this important motion when it's up for a full council vote. We need transparency and accountability NOW. I strongly support this common-sense motion to protect renters and ensure that the City Attorney is actually fulfilling her obligation to Angelenos. Thank you.

Comments for Public Posting: My name is Lauren Pham and I am writing as a concerned citizen of Los Angeles. I want to thank Council Member Soto-Martinez for taking action to introduce this motion, and I want to strong urge all members of LA City Council to join him in voting YES on this important motion when it's up for full council vote. I support this motion because I believe that is important we hold price gouging offenders accountable for their actions and citizens like myself are informed on these misdoings. We need transparency and accountability NOW. I strong support this common-sense motion to protect renters and ensure that the City Attorney is actually fulfilling her obligation to Angelenos. Thank you.

Comments for Public Posting: My name is Emily Filkin and I am a constituent of Council President Marqueece Harris-Dawson's district. I want to thank Councilmember Soto-Martinez for introducing this motion, and I urge all members of LA City Council to join him in voting YES on this motion when it is up for a full council vote. As a volunteer with the Rent Brigade, I have spent hours reporting rent gouged listings, calling realtors and property owners who have been breaking the law, and writing letters to tenants who may have been impacted by rent gouging. Without enforcement of the law by the City Attorney, these efforts are insufficient to prevent rent gouging. We need transparency and accountability NOW. I strongly support this common-sense motion to protect renters and ensure that the City Attorney is actually fulfilling her obligation to Angelenos. Thank you.
