Comments for Public Posting: My name is Rosalind Jones, and I'm writing to you today as a renter and a community member. I want to strongly urge all members of LA City Council to join him in voting YES on this important motion when it's up for a full council vote. Price gouging in the aftermath of a natural disaster is not only illegal, it is morally bankrupt. We need transparency and accountability NOW. I strongly support this common-sense motion to protect renters and ensure that the City Attorney is actually fulfilling her obligation to Angelenos. Thank you.

Comments for Public Posting: Hello, My name is Christine Rodriguez and I am a representative of District 5 of the Pasadena Rental Housing Board. I am writing to strongly urge all members of LA City Council to join in voting YES to a motion in the City Attorney providing a report on price gouging legal actions that have taken place. As a member of the Pasadena Rental Board, many of my constituents have been displaced or have lost their main source of income due to the fires. Through constant research on Zillow of rentals in Altadena, I have noticed many rents have been increased above the 10% allowance after a declared emergency. I urge you to support this simple motion in asking the City Attorney to provide a report on the actions that have taken in response to rent gouging reporting.
