Comments for Public Posting: My name is Matthew Nussbaum, and I'm here today as a tenant in Los Angeles. I want to thank Councilmember Soto-Martinez for taking action to introduce this motion, and I want to strongly urge all members of LA City Council to join him in voting YES on this important motion when it's up for a full council vote. Landlords regularly violate the law without accountability. The City Attorney has been tasked with enforcement of laws protecting tenants - we expect the City Attorney to actually carry out the will of the people of Los Angeles. This proposal would allow us to ensure that the City Attorney is doing their job and actually enforcing the law against landlords gouging tenants. We need transparency and accountability NOW. I strongly support this common-sense motion to protect renters and ensure that the City Attorney is actually fulfilling her obligation to Angelenos. Thank you.
