RE: Transmittal for Council File No. 25-0006-S80

On August 13, 2025, the Transportation Committee considered a Department of Transportation (LADOT) report relative to Tour Bus operations in the Pacific Palisades fire recovery area.

After an opportunity for public comment was provided, the Committee approved the LADOT report, dated July 11, 2025, and recommended adoption of the accompanying Resolution, attached to the Council file, making it unlawful to operate a Tour Bus within the area identified on the Pacific Palisades Wildfire map for the duration of the January 7, 2025 wind and wildfire emergency declaration.

The subject Council File is hereby transmitted to the Ad Hoc Committee for LA Recovery for further consideration.

Respectfully,

Rita Moreno  
Legislative Assistant  
Transportation Committee
