Comments for Public Posting: As a 25 year family of the Pacific Palisades, we had no intention of rebuilding our home. I am approaching retirement, and was not planning on building a house. Like 71% of our neighbors, we are under insured and using savings to rebuild our home. Savings that will not be replaced by income. Sales tax relief, either as a rebate or at point of sale, will provide much needed assistance as we rebuild our lives and return to our home. Thank you.
