Comments for Public Posting: As a person whom doesn't live in sun valley but work and take pride in sun valley. I work for a business that is right next to existing tiny home location now and, can share in site that there are lots of criminal activity that come with this. Maybe not caused by the tiny home residents directly. But by the people affiliated with the resident that might be involved. So for this reason and many more,I do not support this motion it will create lot of criminal activity around local resident and home filled with women and children.
