Comments for Public Posting: This is my public comment for 6/11/2025. For Item 14, what is the ceremonial sign for? For Item 15, why isn't there reward money when we have information when the cops kill someone? For general comment, why is the Council President okay with the LAPD attacking protesters? He said that he "doesn't object to anything the LAPD did." The LAPD has, by McDonnell's own admission, been REPEATEDLY assisting ICE and other Trump immigration officials while blatantly lying and claiming they haven't been. The LAPD has been brutalizing protesters, firing hundreds of less lethal ammunitions, and has been extremely violent over the last few days. You all need to be speaking out constantly and forcefully against Trump and everything he's doing. Restore call-in comment, especially during these times, and hear from everyone, both in person and on the phone
