RE: Transmittal for Council File No. 25-0141

On October 22, 2025, the Transportation Committee considered a Los Angeles Department of Transportation (LADOT) report relative to relative to implementing a local air quality program. After an opportunity for public comment was provided, the Committee recommended that the Council NOTE and FILE the LADOT report, inasmuch as it is for informational purposes only and no action is required. The draft Transportation Committee report is saved in the shared drive.

The subject Council File is hereby transmitted to the Energy and Environment Committee for further consideration.

Respectfully,

A handwritten signature in blue ink that reads "Rita Moreno".
