I am against the abuse and killing of dogs and cats. I urge Los Angeles to stop this practice. It is a sure for an animal that is difficult and painful for animals that is extremely selfish, such as robbing a precious life given to animals by God, stealing a profane obscenely, and killing a savage and eating meat There is not! That negative feeling will also create negative energy in the human body! ! ! Either way you are cruelly killing countless animals and you are cursed already! Those who murdered or ate would soon disappear! ! ! Because humans rush on the meat etc of the important body of animals that humans should not take hands for, they are infected with disease and are infected instantly! Flu is an example. Murder cannot escape the responsibility of tomorrow by evading it today. GOD IS WATCHED FOR ANIMALS The deed comes back upon the doer!! Certainly Shame on you !!

**Comments for Public Posting:** The barbaric practice of torturing, killing and eating dogs in your sister city Hanoi, Vietnam, **MUST STOP NOW**. This horrific treatment of dogs is archaic, repugnant to any compassionate being, and puts a murderous blight on the entire country of Vietnam. Other countries in SE Asia have changed their ways and banned the killing and consumption of dogs, and it is time that Vietnam do the same thing. The government in Vietnam **MUST TAKE STEPS NOW** to change the laws and make the torturing, killing and eating of dogs **ILLEGAL**. If Hanoi, and all of Vietnam wish to be respected by the first world community, they must change their attitude towards dogs and learn how to love and take care of them with compassion instead.

**Comments for Public Posting:** RGENT NEW Call for Action! - STOP Vietnam's Dog & Cat Meat Trade: LA Sister City Project Needs Your Voice NOW! On January 9, 2024, the National Assembly of South Korea voted unanimously to ban the killing and eating of dogs nationwide. Now, Vietnam must follow. The brutal reality of Vietnam's dog and cat meat trade demands immediate action. Millions of innocent animals endure unimaginable suffering, subjected to horrific cruelty in the name of consumption. Driven by the tireless efforts of animal advocate Jeffrey Mausner and the Valley Alliance of Neighborhood Councils (VANC) members, Los Angeles has a unique opportunity to leverage its influence and create meaningful change. Building upon their successful efforts to condemn the dog meat trade in South Korea and beyond, VANC is now spearheading the "Sister City Project," aimed at establishing a conditional relationship with Hanoi, Vietnam, that hinges on ending this barbaric practice. This initiative aligns with Los Angeles' existing official stance against the dog meat trade, as clearly outlined in City Council Resolution 19-0002-S101. The path to ending this cruelty lies in establishing a sister city relationship with Hanoi, contingent upon a commitment to ban or phase out the dog and cat meat trade. This approach aligns with the spirit of the recent U.S.-Vietnam Comprehensive Strategic Partnership, which encourages such collaborations and offers mutual benefits, including increased economic and cultural exchanges. By conditioning this partnership on animal welfare, Los Angeles can send a powerful message and directly influence policy in Vietnam. The time for passive observation is over. Your voice is critical in urging the Los Angeles City Council to support File #25-0193 and solidify this sister city relationship with a clear mandate against the dog and cat meat trade. We must act now to save millions of lives and demonstrate that compassion and progress can go hand-in-hand. Help Us Relocate ARK Shelter (Dog meat farm survivors) Sharing for the Animal Rights Korea (ARK) Shelter: A New Home for Hope: Help Us Relocate Our Dog Shelter For years, our shelter has been a safe haven for rescued dogs, giving them love, care, and a second chance. But now, Incheon has ordered us to leave, and time is running out. ARK dogs have suffered so much. Many were trapped in tiny floating cages, starving and abused, waiting for a cruel fate –

death. They never knew kindness—only fear and pain. We saved them, gave them warmth and care, and helped them start new lives. Now, they need a safe place to heal. Our current facility is unsafe—overcrowded and falling apart. We found the perfect new location with more space and better conditions, but it comes at a high cost. We need your help. Your donation will secure the new shelter, improve kennels, cover veterinary care, and transport our dogs safely. Every dollar counts. By supporting us, you become a hero for these dogs. Whether donating or sharing our story, your help changes lives. These dogs deserve a future filled with empathy. Could you help us make this dream a reality? Please donate today and give them the home they've been waiting for. Thank you!

There is no place for such cruelty of companion animals in our world today and the suffering these poor dogs incur awaiting their fate is horrible, cruel and inhumane. Stop this brutality once and for all and do not continue any type of relationship with countries who still continue this horrible practice. **Comments for Public Posting:** Dear Honored Council members, I fully support City Council File 25-0193, to end dog and cat meat in Vietnam. I am against the unnecessary abuse and killing of dogs and cats for human consumption. I would like Los Angeles to do what it can to stop this practice, and a "Sister City," relationship with Hanoi/Vietnam would be an effective incentive, financially, politically and with mutual humane considerations. I implore you to please vote yes on this matter. Please reference the Petition entitled Los Angeles & California Must Help End the Brutal Killing of Millions of Dogs & Cats in Vietnam, <https://www.idausa.org/campaign/dog-meat/latest-news/los-angeles-and-california-must-help-end-the-brutal-killing-of-millions-of-dogs-and-cats-in-vietnam/> Also, please see the article Los Angeles Pushes to Save Millions of Dogs and Cats in Vietnam Through Sister City Initiative, <https://www.citywatchla.com/animal-watch/30098-los-angeles-pushes-to-save-millions-of-dogs-and-cats-in-vietnam-through-sister-city-initiative> Frankly, this Motion is a "no-brainer," and is a highly endorsed position shared by a vast majority of your Stakeholders, with whom it would not fair well should this Motion fail. They feel fear just as we do and should be loved and cared for by humans. Most civilised people find eating dogs barbaric. **Comments for Public Posting:** I am writing in support of City Council File 25-0193 to end dog and cat meat in Vietnam. The horrific abuse and killing of dogs and cats is a barbaric practice which I strongly condemn. These poor animals suffer unimaginable torture before being violently killed, often in front of others awaiting the same fate. Furthermore, the dog and cat farms are unhygienic and a danger to human health. I urge the City of Los Angeles to stop this practice. Please vote "yes".

**Comments for Public Posting:** The path to ending this cruelty lies in establishing a sister city relationship with Hanoi, contingent upon a commitment to ban or phase out the dog and cat meat trade. This approach aligns with the spirit of the recent U.S.-Vietnam Comprehensive Strategic Partnership, which encourages such collaborations and offers mutual benefits, including increased economic and cultural exchanges. By conditioning this partnership on animal welfare, Los Angeles can send a powerful message and directly influence policy in Vietnam. The time for passive observation is over. I'm urging the Los Angeles City Council to support File #25-0193 and solidify this sister city relationship with a clear mandate against the dog and cat meat trade. We must act now to save millions of lives and demonstrate that compassion and progress can go hand-in-hand.

**Comments for Public Posting:** On January 9, 2024, the National Assembly of South Korea voted unanimously to ban the killing and eating of dogs nationwide. Now, Vietnam must follow. The brutal reality of Vietnam's dog and cat meat trade demands immediate action. Millions of innocent animals endure unimaginable suffering, subjected to horrific cruelty in the name of consumption. Its cruelty!

**Comments for Public Posting:** In today's world we work to establish good connections with other nations and nurture sister city relationships. Los Angeles wishes to form a friendship with Hanoi, Vietnam under the "Sister City Project," establishing a sister city relationship upon a commitment to ban or phase out the dog and cat meat trade. I believe conditions are necessary with these agreements. We have to continue to show our support in ending the brutal dog (and cat) industry overseas. Other municipalities, states and countries are taking a stand. This is not only an extremely cruel and inhumane trade but a very dangerous one for humans as rabies in particular is a deadly zoonotic disease. A few years ago a bold decision was taken by Mayor Christopher Chung of Palisades Park, NJ., U.S.A. with their sister city that the dog meat trade was no longer acceptable and no relationship or economic incentive was worth complicity in the torture and consumption of dogs (and cats). He took the moral decision to reject a visit from exchange students from the friendship city Incheon Ganghwa County due to their dog meat trade. The Los Angeles City Council unanimously passed a resolution supporting legislation or administrative action that would request the governments of South Korea, China, Vietnam, Indonesia, and Cambodia ban the sale of dog meat and enforce their animal cruelty laws. Others should follow his lead! I support City Council File 25-0193 to end dog and cat meat in Vietnam and urge Los Angeles to help end the practice. Please vote "YES"

**Comments for Public Posting:** Regarding File # 25-0193 Los Angeles is a sister city to this city in Vietnam where thousands of Dogs and Cats are kept in hideously cramped cages while waiting to be brutally slaughtered for the Dog and Cat meat trade. I implore you to communicate with this city that they are at risk of losing their designation as Los Angeles' sister city if these cruel acts are not discontinued immediately. We must find a way to help them replace the income lost with work that does not involve cruelty to these animals.

Please vote yes. Los Angeles has a unique opportunity to leverage its influence and create meaningful change. Building upon their successful efforts to condemn the dog meat trade in South Korea and beyond, VANC is now spearheading the “Sister City Project,” aimed at establishing a conditional relationship with Hanoi, Vietnam, that hinges on ending this barbaric practice. This initiative aligns with Los Angeles’ existing official stance against the dog meat trade, as clearly outlined in City Council Resolution 19-0002-S101.

The Sister City Project between Los Angeles and Hanoi should be contingent upon a commitment to ban and phase out the dog and cat meat trade to end this cruelty in Vietnam. The National Assembly in South Korea voted recently to ban the cat and dog meat trade in their country. It is time to end the this needless cruelty toward these companion animals. Cats and dogs only bring love and joy to people. I am asking the LA City Council as part of the Sister City Project with Hanoi, Vietnam to vote yes to ending the dog and cat meat trade in Vietnam.
